CPES

Test and earthing kit

for separable connector type CTS and CTKS

The test and earthing kit CPES is suitable for the establishment of galvanic connections between cable conductors and ground. The CPES is compatible with all Cellplux T-shaped separable connectors CTS and T-shaped separable coupling connectors CTKS.

Product description

Article name	CPES
Material number	414307
Characteristics	Safe and easy to handle
Applications	Cable testing
	Cable fault location
	Earthing for work
	Phase comparison
Optional accessory	Additional set ZS-CPS/CPES/CPAS

Technical data

Voltage levels	U0/U (Um) 6/10 (12) kV - 19/33 (36) kV

Logistics data

Delivery scope	Chest
	Test adapter
	Set of 3 earthing adapters
	Assembly material
	Assembly instructions
Country of origin	Germany
Customs tariff number	85389099
