End of Life Instructions

Recommendation	Number on drawing	Component / Material	Weight (in g)	Comment
To be depolluted	1	Printed Wiring Board	174.464	

Product description

Manufacturer identification	Schneider Electric Industries SAS
Brand name	Schneider Electric
Product function	The main purpose of the non-energy storage electric operating mechanism is suitable for opening and closing operations of 400A ~ 630A NSX, CVS, EZS series MCCB
Product reference	LV435010
Additional similar product references	LV435010 LV435006 LV435009 LV435012 LV435014
Total representative product mass	2700 g
Representative product dimensions	190mm x 20mm x 220mm
Accessories	No
Date of information release	15/07/2025

Additional information

Legal information	This product family is in the scope of European Union directive 2012/19/EU on Waste Electrical and Electronic Equipment (WEEE). The product family must be disposed according to the legislation of the country. This document is intended for use by end of life recyclers or treatment facilities. It provides the basic information to assure an appropriate end of life treatment for the components and materials of the product.
In case of special transportation: transportation method	No
Recyclability potential	67% The recyclability rate was calculated from the recycling rates of each material making up the product based on REEECY [®] LAB tool developed by Ecosystem, for components/materials not covered by the tool, data from the EIME database and the related PSR was taken. If no data was found a conservative assumption was used (0% recyclability).
